## WOMEN4IT DIGITAL COURSES

Women4IT is an ambitious training programme that can help you get into the digital work market.

If you are a Woman aged 18-29 years old and you are looking for a career change in the digital sector, Women4IT is right for you!

## WHAT IS THE TRAINING?

Women4IT will offer you a fully-funded training for one of the below job profiles:

Digital Media Executive  
Data Analyst Assistant  
Junior web developer  
Graphic Designer  
Software Tester Customer  
Service Representative

The first step for you is to register and then to take a short test to make sure this will meet your needs.

The courses will then begin in January 2021 for 8 to 10 weeks with online classes and assignments.

A Mentor/Friend will be assigned to you to help you and guide you throughout this journey.

## AND AFTER THE TRAINING?

Once your training is complete, your mentor will help you to apply for a digital job and to settle into it.

No matter which path you choose, you will be assisted in seeking employment.

## GET INVOLVED!

If you want to sign up or to know more about the Women4IT Project, get in touch with ICS today at [women4it@ics.ie](mailto:women4it@ics.ie).
