AI Supports for Teachers

Incorporating artificial intelligence (AI) into your teaching practice can enhance student learning. To help you get started, we've developed resources to guide you in using AI effectively and responsibly.

AI for Schools – Online Course

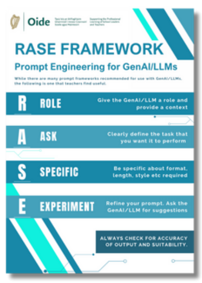
This self-paced one-hour course is designed specifically for school leaders and teachers to provide a foundational understanding of AI. In it, participants explore what AI is, review key policy documents, including the latest European publications, and consider the ethical implications of AI in a school environment. Developed in line with the Digital Strategy for Schools to 2027, this course features insights from the Adapt Centre and other leading experts.

Artificial Intelligence: Five Considerations for Teacher Use – Infographic

This infographic provides a quick and clear overview of five key considerations every teacher should keep in mind when using AI tools in the classroom. From ensuring ethical data use to understanding bias awareness, these guidelines will help you make informed decisions that protect and empower you and your students.

The RASE Framework: A Prompt Framework to Support Teachers

The RASE Framework is a practical prompt framework to use with Generative AI/ Large Language Models. It outlines four steps when drafting prompts — Role, Ask, Specific, and Experiment — helping you craft prompts that produce more accurate and useful AI responses, tailored to your teaching needs.



Explore these resources and start integrating AI into your classroom with confidence.

Tacaíochtaí IS do Mhúinteoirí

Tríd an intleacht shaorga (IS) a ionchorprú i do chleachtas teagaisc is féidir foghlaim an scoláire a fheabhsú. Chun cabhrú leat tosú, tá acmhainní forbartha againn chun tú a threorú maidir le IS a úsáid go héifeachtach agus go freagrach.

IS do Scoileanna - Cúrsa ar Líne

Tá an cúrsa féinluais aon-uaire seo deartha go sonrach do cheannairí scoile agus do mhúinteoirí chun go mbeidh tuiscint bhunúsach acu ar IS. Déanann rannpháirtithe iniúchadh sa chúrsa ar a bhfuil i gceist le IS, déanann siad athbhreithniú ar phríomhdhoiciméid bheartais, lena n-áirítear na foilseacháin Eorpacha is déanaí, agus déanann siad machnamh ar na himpleachtaí eiticiúla a bhaineann le IS i dtimpeallacht scoile. Arna fhorbairt de réir na Straitéise Digití do Scoileanna go dtí 2027, tá léargais le fáil sa chúrsa seo ón Ionad Adapt agus ó shaineolaithe mór le rá eile.

Intleacht Shaorga: Grafaic Faisnéise - Cúig Bhreithniú d'Úsáid an Mhúinteora

Tugann an ghrafaic faisnéise seo forléargas tapa agus soiléir ar chúig phríomh-bhreithniú a ba chóir do gach múinteoir a choinneáil i gcuimhne agus uirlisí IS á n-úsáid acu sa seomra ranga. Ó úsáid sonraí eiticiúla a chinntiú chun feasacht ar chlaontacht a thuiscint, cabhróidh na treoirlínte seo leat cinntí eolasacha a dhéanamh a thabharfaidh idir chosaint agus chumhacht duit féin agus do do scoláirí.

An Creat RIST: Leid-Chreat chun Tacú le Múinteoirí

Is leid-chreat praiticiúil é an Creat RIST le húsáid le hÁiseanna Giniúnacha IS/ Mórshamhlacha Teanga. Tugtar breac-chuntas ann ar cheithre chéim nuair a bhíonn leideanna á ndréachtú — Ról, Iarr, Sonrach, agus Triail — a chabhróidh leat leideanna a cheapadh a tháirgeann freagraí IS níos cruinne agus níos úsáidí, a bheas in oiriúint do do riachtanais teagaisc.

Déan iniúchadh ar na hacmhainní seo agus tabhair an IS isteach i do sheomra ranga le muinín.
